- Canadian Championships:
 - No applications as of 2/18/2026
- **Discourse**- AT/DA - open discussion for any other options?
 - **Discourse** seems to be like an online forum as opposed to server chat group.
 - **Discord** was brought up as another option. It is free and you can create servers. Note: "Discord is rolling out mandatory global age verification, or else users are defaulted to 'teen-safe' settings. "Users accessing age-restricted content must verify their status via facial scan or ID upload to remove restrictions. While mostly affecting new/unverified accounts, this aims to comply with global safety regulations."
 - **WhatsApp** another option similar to Discord and Messenger. If moving forward with this option, we want to be sure that peoples phone numbers in group chats is kept private unless the user chooses to share their information. One can use google voice for verification.
 - **Slack** was another possible option.
 - There are many group options and we will continue to research and discuss.
- Social Media Committee - to post outcomes/ rule changes online for everyone to see from AGM
 - CFG and EK will need to post this information as it has yet to be posted.
- Hall of Fame - CFG - Open Discussion for HoF nominees (builder and athlete) - timeline and application forms (tabled from previous meetings)
 - Need to clarify the criteria associated with this to make the application and requirements clear. Once the criteria are developed, we can post it online.
 - CFG will reach out to Christoph Wand.
- Open discussion
 - Request for criteria for what would constitute an official game and post this information online. This could help AD structure festivals or help AD secure funding and grants.
 - Band requirements – demonstration? Competition? Mass bands?
 - Dancer requirements – demonstration? Competition?
 - Other requirements?
- Possible future considerations:
 - Push information via email and email list to the highland community or to AD's.
